

## The 1<sup>st</sup> Topical Workshop on Theoretical Physics

9 Oct 2014, School of Particles and Accelerators, IPM, Tehran, Iran.

The purpose of this workshop is to bring distinguished physicists together from the region and the world to present and discuss exciting new advances in the field of theoretical physics.

### Topics :

String Theory  
String Cosmology  
Conformal Field Theory

### Organizing Committee :

D. Allahbakhshi (IPM)  
F. Ardalan (SUT, IPM)  
R. Fareghbal (SBU, IPM)  
A. Naseh (IPM)  
S. Rouhani (SUT, IPM)
