

## Outstanding Reviewer Recognition – IOP Publishing

We are pleased to share that Dr. **Mojtaba Mohammadi Najafabadi**, a faculty member of the School of Particles and Accelerators at IPM, has been selected as an Outstanding Reviewer by IOP Publishing for his contributions to the Journal of Physics G: Nuclear and Particle Physics in 2024.

This recognition reflects the commitment to rigorous and constructive peer review, supporting the integrity and quality of scientific publishing.

More details are available on the IOP Publishing Outstanding Reviewer Awards 2024 page.
